

Ocean Road Primary School Parents & Citizens Association Inc.

What is a P&C?

Parents and Citizens (P&C) Associations are vital not-for-profit organisations supporting public schools in Western Australia. They are a group consisting of parents and citizens in a school community, whose purpose is to assist the school and promote the interests of the entire school community.

Who comprises the P&C?

Financial Members

(Parents and Citizens who sign up for Membership)

Office Bearers:

President, Vice President, Treasurer & Secretary
(elected from Financial Members at the AGM)

Executive Committee Members

(elected from 3 of the Financial Members at the AGM)

How does it work?

P&C Associations work in close partnership with their school to achieve the best possible outcomes for students and the school community. P&C Associations consult with the parent community, students, and school staff to identify the main needs of the school, and hold meetings to discuss and plan accordingly how best to meet those needs.

How do we benefit the school?

The ORPS P&C helps to foster strong relationships between the school and the community. We help to provide resources to the school for the benefit of all students through fundraising efforts & grants submissions. And we help to promote interest in educational matters as voiced by the school community.

Why join?

Becoming a member of the ORPS P&C will be rewarding in many ways. You can have a say in what is important to you and be a part of the discussions and actions that help to benefit the school. You will meet new people and join a group of likeminded people who want to help make a difference. The ORPS P&C is a welcoming association and every member is valued.

What can I do to help?

You can help in many ways!
You can give us your feedback on what is important to you and your child/ren and their educational journey at the school. You can volunteer your time to help at one of our many P&C events. You can become a financial member, an office bearer or executive member to have your say and vote for matters most important to you at our general meetings.
